# Behaviour expectations

We have taken every step to ensure the trip is a safe and positive experience for every child. However, poor behaviour from a child can put themselves or others at risk- this is why we will be taking behaviour very seriously while away.

Failure to comply with school rules or behaviour that is deemed unsafe may result in your child:

- Sitting out of activities
- Being moved to a different cabin
- Being moved to a different activity group
- Returning from the trip early

# Contact details

- Please ensure your emergency contact information with the school is correct and up to date.
- If you need to contact us during the trip, you should always contact the school office who will pass on a message. Do not contact PGL or Boreatton park- this will be slower and less secure.
- We have been asked how you can contact us on the residential out of school hours. Parents who wish to contact us out of hours should carefully consider the matter is the residential staff.
