

# NEWSLETTER

## 21st July 2023

Telephone 0121 464 2705

Our new headteacher, Mr Whitehouse, will be starting full time in September and so this will be my final newsletter as Acting Head. It has been a real honour to be in charge of this wonderful school.

It has been great to welcome Mr Whitehouse into school regularly over the last few months. During his visits, he's got to know members of staff across the school and eaten lunch with the children at both sites. He has also attended regular governors' meetings and met and chatted with parents on the playground and at the Summer Fair.

We are very grateful to Christ Church CE Primary, Mr Whitehouse's current school, who have supported what has been a very comprehensive transition period. I am confident that Mr Whitehouse has got to know our school well and will be able to hit the ground running in September and keep the school moving forward. I know that he is very much looking forward to becoming a key part of our school community.

With the summer holidays starting next week, you will find a number of links and QR codes signposting families to activities and events taking place over the course of the next six weeks later on in the newsletter.

The children have worked hard this year and are ready for a good break. The sort of holiday work we would encourage would include lots of reading; the writing of postcards; making sandcastles or mud pies and spending quality time with friends and family. I would be very interested to receive postcards from the children's travels over the holiday period and will share any received in assembly next term.

We look forward to welcoming pupils into their new classes when the year starts afresh on Wednesday 6th September. Some will feel excited, some nervous and some a mixture of the two! It would be useful for families to go through the induction information shared last month beforehand, to remind children of the procedures that they will follow when they start in their new year groups.

Once again, we wish our current year 6 pupils all the best for the future as they move on to the next stage in their education.

Thank you to all our families for their continued support of the school. I hope you all have a great summer and look forward to seeing you all again in September.

Best wishes,

Duncan Wilson (Acting Head)

## **'Sail Away in a Story' competition winner!**

*I'm delighted to announce that Rahma, in Year 6, came third in the story-writing competition for National Share a Story Month, run by the Federation of Children's Book Groups!*

*Rahma chose to use this story starter by children's author, Justin Somper:*

*'When I drew back the curtains, the last thing I expected to see in our small back garden was a boat. Or rather, it would be more accurate to say...a ship! What on earth was it doing there? Could it be Dad's latest crazy restoration project- inspired by too many episodes of The Repair Shop? Stepping barefoot across the dewy grass toward the ship, I felt a vague sense of unease. I stood, rooted to the ground in front of it, chills spreading through my body. I heard a voice calling my name. At first, I thought it was Mum, calling me back inside. Then it came again. It wasn't Mum...Or Dad...or any voice that I recognized. Nonetheless, this voice knew my name. And it was coming from inside the newly-arrived ship...'*

*Here is Rahma's continuation of the story:*

*'Cautiously, I took a step inside. No one. Walking slowly across the cold, damp floor, I suddenly found myself standing- or rather, clinging, on to a metal pole because I had just about fallen in a hole that lay gleaming in the darkness. I peered inside. Then what a shock I had! For all I could see was a box. Not any old box, it was a treasure box! With trembling fingers, I opened the rusty lid. What! Nothing inside? I let the disappointment wash over me. I had imagined running up to my parents, crying out that we were rich forever. But nothing inside! I clenched my fists and thought it over. Then I realised, it must have been stolen. And, because this ship had just arrived, I assumed the thief was still inside somewhere.*

*I rushed around, checking every single crack and feeling everything around me. After a while, I gave up. Perhaps I was thinking it all up and it wasn't actually true. But just then I heard the sound of somebody whispering. I followed where the sound had come from, and, soon enough, I came across two men crouching in a corner, their hands and pockets bulging with the weight of coins. I made them drop all of them and put them back in the box. Then, whilst I was pulling the guilty thieves out of the ship, I heard a voice call my name. This time it was my Mum's. I blinked, then opened my eyes. My mum was shaking me saying I had overslept. Then I realized it had all been a strange dream and wasn't really true. But I still wonder what happened next!'*

**Congratulations Rahma!**

**Mrs Sprackling**

City Council

For children without an Education Health and Care Plan

Our ref: AA/CP/Jul23

July 2023

Dear Parent/Carer

**Apply online for your child's secondary school place – September 2024**

Your child is due to transfer from primary to secondary school in September 2024. Local authorities co-ordinate secondary transfer admissions for all maintained (non-fee paying) schools. This means parent/carers should apply to the local authority in which they live (the council to which they pay council tax).

If you live in Birmingham you should apply for your child's secondary school place online at [www.birmingham.gov.uk/schooladmissions](http://www.birmingham.gov.uk/schooladmissions) between 1 September and 31 October 2023. It is important that you submit your application by 31 October 2023. **Applications received after the national closing date of 31 October 2023 will be treated as late applications.** Late applicants are less likely to be offered a place at one of their preferred schools, as these applications will be processed after 1 March 2024, in accordance with Birmingham's coordinated admissions scheme.

We know this is an important time for you and your child, and we encourage you to find out as much as you can about local schools and how the admissions process works before you make your application, as a lack of awareness of the correct procedures may affect the outcome of your application.

**Information about the application process will be available on the council's website, [www.birmingham.gov.uk/schooladmissions](http://www.birmingham.gov.uk/schooladmissions) from 1 September 2023.**

The website includes information on types of schools, how to apply online, how places are offered, details of the individual schools and their admissions arrangements, and what to do if you are not offered one of your preferred schools. If you do not have a device that can access the internet, your child's primary school may be able to help you. You may also be able to access a computer via a friend or relative.

We strongly advise you visit the websites of your preferred schools for further information about the school and details of any open days or evenings. You should also carefully consider how likely you are to be offered a place at one of your preferred schools, and find out more about the order in which places are offered (oversubscription criteria) by reading the information on the schools you are interested in. Please note that before completing your online application you **must** confirm that you have read the admissions arrangements.

If you are applying for any school under the distance category, make sure you check the last distance an applicant was offered from over the past three years (where applicable). While this **is no guarantee** that your application will be successful for September 2024, it will give an indication of whether you should consider including the school as one of your preferences.

We advise you to use all six preferences to maximise your chances of getting a place at one of the schools you prefer.

You can amend your school preferences on the online admissions form as many times as you like until the closing date of 31 October 2023. Please remember that, if you do make amendments to your original online admissions form, you **must re-submit** your application for the latest changes to take effect by selecting **submit** again. **If you do not re-submit your application after going back in to make changes, your previously submitted application will remain, and your new one**

Your application will be processed using the address currently held by your child's primary/junior school. Please note, if the address on your application differs from the address held on our database, you will be asked to send us proof of your address in the form of your most recent council tax bill for 2023/2024. **If you do not provide adequate proof of address by the closing date of 31 October 2023, your child's application will not be processed.** For further information, please visit the "Proof of Address" section in the School Admissions webpages: [Proof of address: transfer to year 7 and start of school in reception year | Proof of home address for school admissions | Birmingham City Council](#)

You will receive an email confirming which school your child has been offered by the end of the day on 1 March 2024.

If you have any questions about your child transferring to secondary school, in the first instance please visit our website: [www.birmingham.gov.uk/schooladmissions](http://www.birmingham.gov.uk/schooladmissions) where you will find all the relevant information to support you through this process.

Yours sincerely,

Alan Michell

## FRIENDS OF HARBORNE PRIMARY SCHOOL

### The Friends Needs You!

**Thank you to everyone who has donated to, supported, promoted, planned, or run an event this year! It really makes a difference, helping us to fund purchases and projects that benefit every child at Harborne Primary School.**

We can't do anything without volunteers. Some people come to every meeting; some don't. Some people organise an event; some help with a stall. Some people spread the word, some help with snacks, moving tombola prizes, or posting for us on social media. Every contribution helps raise money.

If you're thinking about helping next year, don't hesitate. It doesn't matter whether you can offer a little time or a lot. It's all appreciated.

If you could help by writing these newsletters and managing the Friends' social media, please get in touch. Why not come to the first Friends meeting on Monday September 11th to learn more. Alternatively, you can email [friendssecretary1@gmail.com](mailto:friendssecretary1@gmail.com).

### How you can keep fundraising over the summer

**easyfundraising makes a difference. If you use it when you shop online, we get a donation from the money you spend all year round.**

It's one of the easiest ways to raise money, and over 7,500 brands are included in the scheme, including John Lewis & Partners, eBay, Argos, and M&S. It doesn't cost you anything and is quick and easy. Why not ask family and friends to sign up too?
